ABOUT US

When it comes to gourmet confectionery merchandise, you will not find better than the delicious, eye-catching promotional products in this catalogue. We only source from the UK's leading supplier, which means you're benefitting from a SALSA audited, award-winning member of the BPMA that is unsurpassed in our industry for quality, customer service and delivery.

If you want to impress your audience with gourmet, branded sweets, fine chocolates and stand-out, full-colour branded merchandise in your promotional campaigns, you will not find a higher standard or better selection.

From the brightly coloured sweets, creative ideas and happy faces to exceptionally hygienic production processes and cutting edge machinery

For two decades our supplier has pushed the boundaries in quality standards, surpassing all expectations. Everything from the unlimited free samples and packaging design to the fast distribution and urgent turnaround service, you can rely on us to deliver.

The Power to Create Just For You

With complete in-house control over every aspect, comes the power to create branded promotional items to suit everyone's budget, regardless of the order size, which comes with no upper or lower limits.

Superior Quality Made Affordable

In-house production also means that our supplier can remain highly competitive in the promotional products market without sacrificing high quality. This means that you can take your pick from the world's most trusted brands of sweets including the best sellers Jelly Bean Factory and Lily O'Brien, with superior ingredients, ethical choices and specially selected packaging from approved suppliers – without the premium cost.

Total Peace of Mind

Our supplier takes food safety and compliance very seriously. They run a tight ship and have jumped through every hoop to ensure their products and processes exceed the most stringent of standards. In 2016, they achieved the renowned SALSA standard, which demonstrates both legal compliance and best practice of professional food buyers. In line with the Food Information Regulations, all food products in this catalogue have full traceability and allergen control, and are labeled in accordance with EU legislation to show ingredients, nutritional information and storage instructions.
